SANTA GOODWILL TOUR TO QUEBEC CITY, CANADA 2018 (part 2)

Name(s) of applicants: _____

In the words of Cindy Bickman, the owner and director of the Chattooga School of Gymnastics and Dance, when a child is born with a disability, doctors tell the parents all the things that child will never be able to do – the “dis” in disability. Not many people focus on the abilities that child may have.

For over 30 years, Chattooga has been the home for students with disabilities, providing excellence in dance & gymnastics instruction for all ages & levels. Currently, over 70 students with special needs (ages 2 – 46) participate in Chattooga classes. The students pay the yearly registration fee, but are not charged for classes. It’s Chattooga’s way of giving back to the community.

Students from Chattooga have been participating in the Santa Goodwill Tours for the last six years, thereby creating a “Santa Goodwill Tour” within a “Santa Goodwill Tour.” This year they will be traveling Quebec City, Canada. Why don’t you join them for this very unique, once in a lifetime experience?

In order to provide the best possible service, we ask that you fill out this application carefully. Your arrangements will be based on the information that you give us on this form. Please specify the number of participants and single rooms (if required) in the space provided.
